Find Me a First-Class Boarding School For My Fourteen-Year-Old Daughter

This is the request made to us by one father, who is a busy man-of-affairs. He has had a college education and he is acquainted with the best schools in a general way, but, as he said, "I want to make sure, and so I come to your Educational Bureau. My daughter is an only child, and her future development means everything to us."

Every day we receive similar requests, and we are giving splendid satisfaction, judging by the appreciative letters we receive from both parents and schools.

Come in, read some of the letters, and if you have a daughter or a son you want to place in a school, let us help you. We can save you a great deal of needless expense and worry. There is no charge.
